What?

Aw man, you totally caught me daydreaming about new episodes of FLAPJACK. Those candy-crazed adventurers are hitting the high seas again in search of sweet, sweet treasure. So batten down the hatches and tune in for all-new misadventures this April on Cartoon Network!

So, where am I? Oh yeah, I'm Johnny DC and this is YOUR letters page, meaning YOU get to write letters and draw drawings for everyone to read and enjoy! I'm especially interested in what you think of the stories in this comic book (you know -- Powerpuff Girls, Dexter, Gym Partner...) BUT if you want to draw a monster once in a while, HEY I'm easy...

"NATURE CREATURE" BY FINDLAY MULLIGAN

Dear Johnny DC,

I hope you enjoy this new monster I came up with.

Dear Johnny DC,

This is a picture of a laser-shooting owl. If it shoots the laser at another animal, it will turn into a robot as well. I am a huge fan of owls and I thought that it would be cool if you guys had comics with a robot owl.

"LAZEREYE 5000" BY ANDREI TUHARI

Hi, Johnny DC!

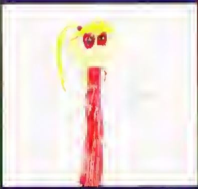

This is Ruby. She has the powers of the elements: water, fire, earth, and air. This is her adventure.

The Powerpuff Girls were playing outside when along came Ruby, an 11-year-old PPG. The Girls befriend Ruby.

Then they disappear. Ruby flies around Townsville and finds the girls in the hands, well, hair, of Sedusa. Ruby uses her water to free the girls. She uses her fire to burn Sedusa's hair. She uses her earth to shake Sedusa. Ruby then uses air to blow Sedusa to jail.

Paige Stefanski
Warren, Michigan

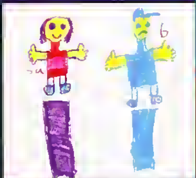

**Hmm...Powerpuff Girls...Powerpuff Girls... The name's familiar...
— Johnny DC**

NEXT ISSUE: The creators of MY GYM PARTNER'S A MONKEY pen a new story in which Jake's art makes him famous! Plus, the gang at Foster's Home tries to teach Wilt some new tricks, and Billy and Mandy mess with Father Time!
